POLICIES FOR RELEASE

We will not schedule any dove releases beyond 2 hours before sunset. All doves lose their navigational ability after the sun sets. We want all our doves to return home safely to their loft. Dove releases are only conducted outdoors.

TREATMENT OF OUR DOVES

While your satisfaction is our goal, we will never jeopardize the welfare of our doves. We understand that our doves are beautiful to behold and that you may be tempted to want to touch, stroke or pet their pristine white bodies no matter how gentle you believe you might be, this can cause trauma and

fear. Our doves are only to be handled for the actual dove release event with the guidance of one of **Ernie's Doves Release** professional handlers.

CODE OF CONDUCT

During a dove release event, if children are participating in the dove release, they must be 10 years of age or older. If we see anyone (**Adults or Children**) teasing, poking, abusing or producing any type of threat or fear to our doves, we will remove our doves from the premises and leave immediately cancelling the dove release event. We expect that parents would carefully manage their children around the doves with respect. Sitting on top of the dove cages is **NOT** allowed. When doves are traumatized, they will not perform as expected and will have difficulty navigating to their homing loft. **No refund will be reimbursed, NO EXCEPTIONS!**
